

The Great Alaska ShakeOut

Annual Statewide Earthquake Drill

Childcare and Pre-School

At 10:19 a.m. on October 19, 2017, hundreds of thousands of people will “Drop, Cover, and Hold On” in The Great Alaska ShakeOut, the state's largest earthquake drill ever!

Participation can be as simple as a one-minute “Drop, Cover and Hold On” drill. All childcare centers, in-home childcare, and pre-schools are encouraged to participate (or plan a more extensive exercise).

Alaska has more earthquakes than any other state, and no one can predict when the next one is coming. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared.

Why is a “Drop, Cover, and Hold On” drill important? To respond quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

Millions of people worldwide have participated in Great ShakeOut Earthquake Drills since 2008. The Great Alaska ShakeOut is held on the third Thursday of October each year.

Everyone can participate! Individuals, families, businesses, schools, government agencies and organizations are all invited to register.
