

Beverly Hills

Proclamation

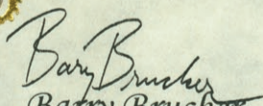

Whereas, on November 13, 2008 at 10:00am the City of Beverly Hills will participate in **The Great Southern California ShakeOut**, the largest earthquake drill in U.S. history; and

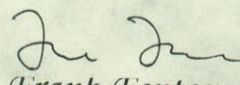

Whereas, The potential magnitude 7.8 earthquake on the San Andreas fault is the basis of **The Great Southern California ShakeOut**, organized by leading seismologists and geological experts throughout the State to inspire Southern Californians to prepare and plan for large scale earthquakes and prevent disasters from becoming catastrophes; and

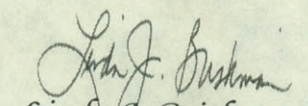

Whereas, The Beverly Hills City Council and Beverly Hills Health and Safety Commission urge all members of the community to join with the City in the call to action to take part in **The Great Southern California ShakeOut**.

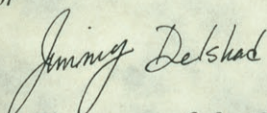

Now, Therefore, we, members of the City Council of the City of Beverly Hills, do hereby proclaim the City's commitment to **The Great Southern California ShakeOut** and further, encourage residents, businesses, schools and organizations throughout the community to register to participate in this important emergency preparedness initiative at www.ShakeOut.org.
