

The Great California ShakeOut

Annual Statewide Earthquake Drill

Local Government

Get Ready to ShakeOut!

At 10:15 a.m. on October 15, 2009, millions of Californians will “Drop, Cover, and Hold On” in *The Great California ShakeOut*, the largest earthquake drill ever! All local governments and their agencies are encouraged to participate in the drill (or plan a more extensive exercise).

Major earthquakes may happen anywhere you work, live, or travel in California. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent disasters from becoming catastrophes.

Why is a “Drop, Cover, and Hold On” drill important? As with anything, to act quickly you must practice often. You may only have

seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

Nearly 5.5 million Southern Californians participated in the 2008 ShakeOut. Now statewide, the *Great California ShakeOut* will be held on the third Thursday of October each year.

Everyone can participate! Individuals, families, businesses, schools, colleges, government agencies and organizations are all invited to register.
