We encourage scouts to spread the word about the ShakeOut to their community. Scouts may reach out to family, friends, businesses, schools, churches, etc. If your group is in elementary school or younger you will receive one free patch per 10 registrants your group signs up. If your group is in middle school or older you will receive one free patch per 50 registrants. Please print out the Registration Form on www.shakeout.org/scouts/ to register individuals, families, businesses, etc.

1) Number of Scouts that Paticipated in the ShakeOut: Scouts must register at www.ShakeOut.org/register to be eligible for a patch	
2) Number of People Registered by Scouts: Individuals and people in organizations	
3) Calculation for Free Patches: For Scout groups in elementary school: Divide the Number Registered by 10 For Scout groups in middle school and above: Divide the Number Registered by 50 Example: $\frac{\text{Number registered}}{(10 \text{ or } 50)} = \frac{486}{10} = 48 \text{ free patches (round up to nearest whole number)}$	
4) Number of Patches to buy: Subtract number of free patches from number of patches needed (Number of Patches for Scouts – Free Patches = How many you need to buy)	
5) Total Price for Patches: Multiply Number of patches you need to buy (\$ 0.75 each)	

Please enclose this form, the registration forms, and a check for the cost of patches in an envelope and mail to:
