

The Hero In You foundation

Our Safety & Emergency Preparedness program engages, educates, and empowers youth to become leaders in their communities and heroes in their own lives.

We work with cities, schools, and organizations to support their emergency services, teach basic skills, and keep children safe.

Rocket the
Safety Dog
says,
"Be prepared,
not scared!"

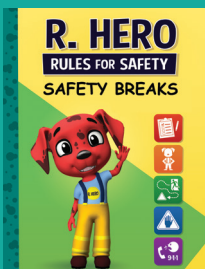

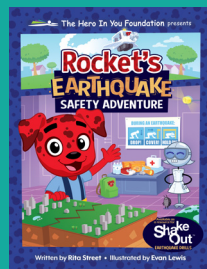

ANIMATED VIDEOS

Entertaining and instructional, Rocket explains important life-saving tips for the whole family.

BILINGUAL BOOKS

Take a ride with Rocket the Safety Dog on his trusty Safety Machine as he discovers where earthquakes come from and learns how to stay safe when the earth rocks and rolls. Vetted by the Southern California Earthquake Center and The Great Shakeout.

SAFETY BREAKS CURRICULUM

Fusing Preparedness Awareness with STEM, these turn-key lesson plans, inclusive activities, and instructional songs are designed for classrooms and after-school programs. Easy to implement and compliant with Health & Safety Guidelines and interdisciplinary Common Core Standards, they include "try-this-at-home" homework for the whole family.

SCHOOL ASSEMBLIES

Safety is fun! Rocket visits schools and classrooms via live Skype calls for an unforgettable interactive experience that kinesthetically reinforce Earthquake Safety Drills.
