

The Great Alaska ShakeOut

Annual Statewide Earthquake Drill

Get Ready to ShakeOut!

At 10:19 a.m. on October 19, 2023, hundreds of thousands of people will “Drop, Cover, and Hold On” in The Great Alaska ShakeOut, the state's largest earthquake drill ever!

Participation can be as simple as a one-minute “Drop, Cover and Hold On” drill. Many organizations will also plan a more extensive exercise.

Alaska has more earthquakes than any other state, and no one can predict when the next one is coming. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared.

Why is a “Drop, Cover, and Hold On” drill important? To respond quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

It is also recommended that you, your school or organization, and your community review and update plans and supplies, and secure your space in order to prevent damage and injuries.

Everyone can participate! Individuals, families, businesses, schools, government agencies and organizations are all invited to register.
