TONY THURMOND
STATE SUPERINTENDENT OF
PUBLIC INSTRUCTION

1430 N STREET, SACRAMENTO, CA 95814-5901 • 916-319-0800 • WWW.CDE.CA.GOV

October 8, 2025

Dear County and District Superintendents, Charter School Administrators, and Principals:

The 2025 Great California ShakeOut

Schools, districts, and county offices of education can meet state earthquake drill requirements by participating in the 2025 Great California ShakeOut! Most will participate on October 16, 2025; however, drills can be held on another day if necessary. The first step is to renew or register your organization's participation today on the Great California ShakeOut website at <https://www.shakeout.org/california/>.

Last year, more than 10.6 million Californians registered to practice "Drop, Cover, and Hold On" as part of the annual Great California ShakeOut earthquake drill (<https://www.shakeout.org/california/dropcoverholdon/>). This included more than 5.5 million K–12 participants (students and staff) from more than 460 school districts, 260 charter schools, and 450 private schools (https://www.shakeout.org/california/participant_list.php?start=california&category=schools&year=2024). Broad school participation helps inspire businesses, organizations, government agencies, and individuals statewide to also take part in practicing safety procedures that includes guidance for people with disabilities and others with access and functional needs (<https://www.earthquakecountry.org/accessibility/>).

Registered participants can access safety guidance and drill planning information for their drills. The California Department of Education (CDE) has worked with many partners to create age-appropriate resources for planning drills, promoting participation, teaching about earthquakes and preparedness, and educating families. You will find these resources on the Great ShakeOut K–12 Schools and Districts web page at <https://www.shakeout.org/schools/>.

School leaders are encouraged to request that all teachers and staff practice "Drop, Cover, and Hold On" along with students and to hold drills in a variety of locations (not just within classrooms but also in cafeterias, during recess, or even during breaks between classes) as earthquakes will not only happen when everyone is seated at desks. Similarly, please encourage students and staff to practice earthquake drills at home.

The Great California ShakeOut is organized by the Earthquake Country Alliance. Additional information is available on the Earthquake Country Alliance website at <https://www.earthquakecountry.org/>. Members include the CDE, the Statewide

California Earthquake Center, the Federal Emergency Management Agency, the U.S. Geological Survey, the California Governor's Office of Emergency Services, the American Red Cross, the California Earthquake Authority, the California Institute of Technology, the University of Southern California, and many others.

Please forward this email to your school contacts at all levels so everyone can participate.

For assistance with registering your organization or districts for the Great California ShakeOut, please contact Mark Benthien, Executive Director, Earthquake Country Alliance, at 213-740-3262 or info@shakeout.org. If you have general safety questions, please contact the CDE Emergency Services Team at emergencyservices@cde.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Tony Thurmond". The signature is fluid and cursive, with the first name "Tony" and last name "Thurmond" clearly distinguishable.

Tony Thurmond
State Superintendent of Public Instruction
