Great ShakeOut Earthquake Drills

Faith-Based Organizations: Get Ready to #ShakeOut!

Join millions of people worldwide each year in practicing a “Drop, Cover, and Hold On” drill and other earthquake safety actions. Most people participate on International ShakeOut Day (the third Thursday of October), but you can hold your drill on any day of the year!

Everyone, everywhere can participate: individuals, families, schools, community groups, and other organizations can practice separately or together, even in multiple locations through videoconferencing. Learn more at ShakeOut.org/howtoparticipate.
