The Great Nevada ShakeOut

Annual Statewide Earthquake Drill

Agriculture and Livestock

At 10:18 a.m. on October 18, 2018, hundreds of thousands of Nevadans will "Drop, Cover, and Hold On" in The Great Nevada ShakeOut, the state's largest earthquake drill ever! All agriculture and livestock organizations such as farms, orchards, and ranches are encouraged to participate in the drill.

Major earthquakes may happen anywhere you live, work, or travel. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, your organization, and your community.

Why is a "Drop, Cover, and Hold On" drill important? To respond quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

Millions of people worldwide have participated in Great ShakeOut Earthquake Drills since 2008. The Great Nevada ShakeOut is held on the third Thursday of October each year.

Everyone can participate! Individuals, families, businesses, schools, colleges, government agencies and organizations are all invited to register.
