Washington is Earthquake Country!

Washington has the 2nd highest
Earthquake risk in the United States

Register to participate in the Great Washington ShakeOut to practice
your earthquake and tsunami safety at www.ShakeOut.org/Washington

You can be more prepared for earthquakes and other hazards in 3 easy steps:

Learn your Hazards:
Earthquakes and many
other hazards can happen
in Washington including
severe weather, tsunamis,
flooding, civil unrest,
volcanic eruptions, and
more.

Make Plans:
With your family, and at
work or school, decide on
local and distant meeting
locations. Choose an out-
of-area contact who can
relay messages in an
emergency. Make sure
you're signed up for
multiple ways to receive
emergency alerts.

Build Kits:
Be 2 weeks ready! Have 2
weeks of supplies at home
and smaller kits in your
vehicle and at work/school.
Everyone needs a go-bag,
including pets!

Learn more! Visit mil.wa.gov/preparedness today!
